presents

BREWERY -2- BREWERY AUTO TOUR

SUNDAY, SEPTEMBER 8, 2024 | 1-6 PM

Come celebrate with us at our 3rd annual event, filled with good times and history! This year, we've organized a unique tour of historic sites, where attendees will drive their own vehicles from one location to the next. Due to parking restrictions, registration is limited to the first 25 vehicles. We encourage you to preregister, as day-of-event registration may not be available (see below for registration details).

TOUR SCHEDULE:

- 12:30 pm: Brewery Follies, Virginia City
Please gather in the parking area for the tour.
- 1 pm: H.S. Gilbert Brewery, Virginia City
Founded in 1863, the Montana Territory's oldest brewery stands today as a rare example of the once-common small-town breweries.
- 2 pm: Ruby Town, Alder
Enjoy the history of the largest mining operation in Alder Gulch and the former Ruby Town. Tour the historic gold refining building being opened to the public by the Gilman Family.
- 3:30 pm: The old Silver Spring Mill in Sheridan
Neil Barnosky will give a talk about it's unique history. The Silver Spring Flour Mill was the vision of George Ramsey and Oliver French in the early 1870s and operated until 1917. The 80x27 foot building was constructed for about \$28,000 (almost \$600,000 in today's dollars).
- 5 pm: Ruby Valley Brew (formerly known as Maverick's Bar) & Jensen Market, Sheridan
Enjoy a locally brewed beer and learn about Sheridan's history.

The \$25.00 registration fee (per person) includes a token for a glass of locally brewed beer at Ruby Valley Brew. (must be 21 or older). Since we're limited to 25 vehicles, we're encouraging multiple attendees per vehicle. TICKETS ARE AVAILABLE ONLINE AT WWW.VIRGINIACITYPRESERVATIONALLIANCE.COM OR AT RUBY VALLEY BREW.

Join Us in Helping Jason on His Recovery!!

BENEFIT DART & POOL TOURNAMENTS

For the last 5 years, Jason has teamed up with us to help prevent drinking and driving. This man has selflessly devoted himself to saving lives in our community. He has put up with drunk people 4 to 5 days a week to ensure their and every citizen's safety on our streets. Jason recently went to the hospital to get a small procedure done. Then, in a calamity of tests, he was found to have multiple types of cancer. Colon, liver and lung. Please join us on September 14th to help him with his costs. The bills are mounting up so fast that he will never be able to climb out from underneath. More things will be added in collaboration with this benefit, as we form this up. Even if you don't play, we want people to come along with us on this journey to help this fine man on his recovery!!

The Cottontail Observatory is Open! Schedule for 2024 is:

DATE	START TIME
September 7	8:30 PM
November 2	7:30 PM
December 28	7:00 PM

These are free events but donations are greatly appreciated. The weather plays a big part in these events, overcast skies block out the stars as does rain & snow, also winds greater than 15 MPH moves the telescopes. In such an event we will have an astronomical presentation that you can understand. Dress warm as it does cool down with these starting times. If we have clear skies the public night will start with a laser tour of the night sky, pointing out the constellations and some astronomical objects. After the tour we start viewing objects with telescopes.
